Chan Kwun Chung
Executive Director

This Appendix I serves as an explanatory statement given to all Shareholders relating to a resolution to be proposed at the AGM authorising the proposed Repurchase Mandate.

This explanatory statement contains all information pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules which is set out as follows:

1. NUMBER OF SHARES WHICH MAY BE REPURCHASED

Exercise in full of the Repurchase Mandate, on the basis of 1,272,640,000 Shares in issue as at the Latest Practicable Date, would result in 127,264,000 Shares (representing approximately 10% of the number of issued share capital of the Company as at the date of passing of the resolution), being repurchased by the Company during the period prior to the next annual general meeting of the Company following the passing of the resolution approving the Repurchase Mandate.

2. REASONS FOR PROPOSED REPURCHASE OF SHARES

The Directors believe that it is in the interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares on GEM. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets of the Company and/or its earnings per Share.

The Repurchase Mandate will only be exercised when the Directors believe that such purchases will benefit the Company and the Shareholders as a whole. The Directors have no present intention to repurchase any Shares.

3. SOURCE OF FUNDS

In repurchasing Shares, the Company will only apply funds legally available for such purpose in accordance with its Articles of Association, the laws of the Cayman Islands and the GEM Listing Rules. The laws of the Cayman Islands provide that the amount of capital paid in connection with a repurchase of Shares may only be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the laws of the Cayman Islands. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Shares are repurchased in the manner provided for in the laws of the Cayman Islands. The Company will not purchase the Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

4. EFFECT OF EXERCISING THE REPURCHASE MANDATE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2018) in the event that the Repurchase Mandate is exercised in full at any time during the Relevant Period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

5. DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge having made all reasonable enquires, any of their respective close associates, has any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate if such is approved by the Shareholders at the AGM.

6. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Articles of Association, the GEM Listing Rules and the applicable laws of the Cayman Islands.

7. THE HONG KONG CODE ON TAKEOVERS AND MERGERS

If, as a result of a repurchase of Shares, pursuant to the Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code.

As a result, a Shareholder, or a group of Shareholders acting in concert (within that term's meaning under the Takeovers Code), depending on the level of increase in the Shareholders' interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 or 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge of the Company, the only substantial Shareholder is Mr. Chiu Ngai Hung ("**Mr. Chiu**") who held 673,317,955 Shares representing approximately 52.91% of the total issued share capital of the Company. In the event that the Directors exercise the proposed Repurchase Mandate in full, the shareholding of Mr. Chiu would be increased to approximately 58.79% of the issued share capital of the Company. The Directors are not aware of any consequences which could arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate in full.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in a requirement of any persons to make a general offer under the Takeovers Code or the number of Shares in the hands of the public falling below the prescribed minimum percentage of 25%.

8. NO PURCHASES OF SHARES BY THE COMPANY

The Company has not purchased any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

9. CORE CONNECTED PERSON

No core connected persons has notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, or have undertaken not to do so in the event that the Repurchase Mandate is approved by the Shareholders at the AGM.

10. SHARE PRICES
