## **CHARACTERISTICS OF GEM**

**GEM has been positioned as a market designed to accommodate companies to which a high investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.**

**Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.**

## LETTER FROM THE BOARD

### GENERAL MANDATE AND REPURCHASE MANDATE

At the AGM, the Directors propose to seek the approval of the Shareholders to grant to the Directors the General Mandate and the Repurchase Mandate.

#### General Mandate

At the AGM, an ordinary resolution will be proposed such that the Directors be given an unconditional general mandate (i.e. the General Mandate) to allot, issue and deal with unissued Shares or underlying shares of the Company (other than by way of rights or pursuant to a share option scheme for employees of the Company or Directors and/or any of its subsidiaries or pursuant to any scrip dividend scheme or similar arrangements providing for the allotment and issue of Shares in lieu of whole or part of the dividend on Shares in accordance with the Articles of Association) or make or grant offers, agreements, options and warrants which might require the exercise of such power, of an aggregate amount of up to 20% of the issued Shares as at the date of granting of the General Mandate.

In addition, a separate ordinary resolution will further be proposed for extending the General Mandate authorising the Directors to allot, issue and deal with Shares to the extent of the Shares repurchased pursuant to the Repurchase Mandate. Details on the Repurchase Mandate are further elaborated below.

As at the Latest Practicable Date, the Company has an aggregate of 500,000,000 Shares in issue. Subject to the passing of the resolutions for the approval of the General Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the General Mandate to allot, issue and deal with a maximum of 100,000,000 Shares.

#### Repurchase Mandate

At the AGM, an ordinary resolution will also be proposed such that the Directors be given an unconditional general mandate to repurchase Shares (i.e. the Repurchase Mandate) on the Stock Exchange of an aggregate amount of up to 10% of the issued Shares as at the date of granting of the Repurchase Mandate.

Subject to the passing of the resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 50,000,000 Shares.

The General Mandate (including the extended General Mandate) and the Repurchase Mandate shall continue to be in force during the period from the date of passing of the resolutions for the approval of the General Mandate (including the extended General Mandate) and the Repurchase Mandate up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association, the Companies Law (Revised) of the Cayman Islands or any applicable laws of the Cayman Islands to be held; or (iii) the revocation

## LETTER FROM THE BOARD

or variation of the General Mandate (including the extended General Mandate) or the Repurchase Mandate (as the case may be) by ordinary resolution of the Shareholders in general meeting, whichever occurs first (the “**Relevant Period**”).

An explanatory statement in connection with the Repurchase Mandate is set out in Appendix I to this circular. The explanatory statement contains all the requisite information required under the GEM Listing Rules to be given to the Shareholders to enable them to make an informed decision on whether to vote for or against the resolution approving the Repurchase Mandate.

### RE-ELECTION OF DIRECTORS

According to Article 112, the Directors shall have power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy or as an additional Director but so that the number of Directors so appointed shall not exceed the maximum number determined from time to time by the shareholder in general meeting. Any Director so appointed shall hold office only until the next following general meeting of the Company (in the case of filling a casual vacancy) or until the next following annual general meeting of the Company (in the case of an addition to their number) and shall then be eligible for re-election provided that any Director who so retires shall not be taken into account in determining the Directors or the number of Directors who are to retire by rotation at such meeting.

According to Article 108(A), at each annual general meeting one-third of the Directors for the time being, or, if their number is not three or a multiple of three, then the number nearest to but not exceeding one-third, shall retire from office by rotation. A retiring Director shall be eligible for re-election. The Company at the general meeting at which a Director retires may fill the vacated office.

In accordance with Article 112, Mr. Lau Man Tak, Mr. Mo Wai Ming, Lawrence and Mr. Chan Tik Yuen shall retire from office at the AGM; whereas in accordance with Article 108(A), Mr. Chui Kwong Kau shall retire from office by rotation at the AGM. Being eligible, each of Mr. Lau Man Tak, Mr. Mo Wai Ming, Lawrence, Mr. Chan Tik Yuen and Mr. Chui Kwong Kau will offer himself for re-election as executive/non-executive/independent non-executive Director (as the case may be).

At the AGM, ordinary resolutions will be proposed to re-elect each of Mr. Lau Man Tak, Mr. Mo Wai Ming, Lawrence, Mr. Chan Tik Yuen and Mr. Chui Kwong Kau as executive/non-executive/independent non-executive Director (as the case may be).

Details of the retiring Directors who are proposed to be re-elected at the AGM are set out in Appendix II to this circular.

## **LETTER FROM THE BOARD**

### **ADOPTION OF THE NEW SHARE OPTION SCHEME**

In light of that the Existing Share Option Scheme will be expired by November 2013, the Board proposes to adopt the New Share Option Scheme for the Company and to terminate the Existing Share Option Scheme (without prejudice to the rights and benefits of and attached to all those Option(s), if any, granted under the Existing Share Option Scheme which are outstanding) subject to the approval of the Shareholders.

The total issued share capital of the Company as at the Latest Practicable Date is HK\$10,000,000.00 divided into 500,000,000 Shares. Assuming that there is no change in the issued share capital between the period from the Latest Practicable Date to the date of the adoption of the New Share Option Scheme, the number of Shares which may fall to be allotted and issued upon exercise in full of New Share Option Scheme would be 50,000,000, representing approximately 10% of the Shares in issue as at the Latest Practicable Date, which is within the overall limit of 30% prescribed under Rule 23.03(3) of the GEM Listing Rules.

#### **Existing Share Option Scheme**

The Existing Share Option Scheme has been adopted by the Company on 25 November 2003 under which the Directors may at their discretion grant options to eligible participants to subscribe for Shares in the Company subject to the terms and conditions stipulated in the Existing Share Option Scheme.

As at the Latest Practicable Date, no Options granted under the Existing Share Option Scheme were outstanding. The Company confirmed that it has no present intention to grant any Options under the Existing Share Option Scheme prior to the AGM.

#### **Termination of the Existing Share Option Scheme**

Under the terms of the Existing Share Option Scheme, the Company may at any time by ordinary resolution in general meeting terminate the operation of the Existing Share Option Scheme. It is proposed that the Existing Share Option Scheme is to be terminated upon adoption of the New Share Option Scheme subject to the approval of the Shareholders.

Upon termination of the Existing Share Option Scheme, no further Options can be offered thereunder but the provisions of the Existing Share Option Scheme shall remain in all other respects in full force and effect in respect of any Options granted prior to such termination but not yet exercised at the time of termination.

#### **New Share Option Scheme**

The purpose of the New Share Option Scheme is to enable the Company to grant Options to the Participants in order to recognise and motivate the contribution of the Participants to the Group.

The rules of the New Share Option Scheme provide that the Company may specify the Participants to whom Options shall be granted, the number of Shares subject to each Option and the date on which the Options shall be granted. The basis for determining the subscription

## LETTER FROM THE BOARD

price is also specified precisely in the rules of the New Share Option Scheme. There is no performance target specified in the New Share Option Scheme unless otherwise specified by the Board at the time of grant. The Board may set appropriate performance target at the time of the grant of Options under the New Share Option Scheme as and when appropriate. The Directors consider that the aforesaid criteria and rules will encourage Participants to acquire proprietary interests in the Company and provide flexibility to the Board at the same time.

There is no specified minimum period under the New Share Option Scheme for which an Option must be held or the performance target which must be achieved before an Option can be exercised under the terms of the New Share Option Scheme unless otherwise specified by the Board at the time of grant. The Board may set appropriate performance target and/or minimum period for the exercise of the Options at the time of the grant of Options under the New Share Option Scheme as and when appropriate.

Subject to the approval of the New Share Option Scheme by the Shareholders, a resolution will be proposed at the AGM for the Board to grant options under the New Share Option Scheme and any other schemes for the subscription of not more than 10% of the entire issued capital of the Company (excluding, for this purpose, Options which have lapsed in accordance with the terms of any other share option scheme of the Group) as at the date of the passing of the relevant resolution.

The Directors consider that it is not appropriate to state the value of all Options that can be granted pursuant to the New Share Option Scheme as if they had been granted on the Latest Practicable Date as a number of variables which are crucial for the calculation of the Option value have not been determined. Such variables include but not limited to the exercise price, exercise period and lock-up period (if any). The Directors believe that any calculation of the value of the Options as at the Latest Practicable Date based on a number of speculative assumptions would not be meaningful and would be misleading to Shareholders.

With respect to the operation of the New Share Option Scheme, the Company will, where applicable, comply with the relevant requirement under Chapter 23 of the GEM Listing Rules.

### **Conditions**

The proposed adoption of the New Share Option Scheme is conditional upon:

- (a) the Listing Committee of the Stock Exchange granting approval for the listing of and permission to deal in any Shares which may fall to be issued and allotted by the Company pursuant to the exercise of Options in accordance with the terms and conditions of the New Share Option Scheme; and
- (b) the passing of the necessary resolution to approve and adopt the New Share Option Scheme in the AGM.

None of the Directors is trustee of the New Share Option Scheme or has a direct or indirect interest in the trustee.

## **LETTER FROM THE BOARD**

A summary of the principal terms of the New Share Option Scheme which is proposed to be approved and adopted by the Company at the AGM is set out in Appendix III to this circular on pages 18 to 27. A copy of the rules of the New Share Option Scheme is available for inspection at the head office and principal place of business of the Company in Hong Kong at 22/F, Hua Fu Commercial Building, 111 Queen's Road West, Hong Kong during normal business hours from the date hereof up to and including the date of the AGM.

### **AGM**

A notice convening the AGM to be held at 3/F, Nexxus Building, 77 Des Voeux Road Central, Hong Kong, Hong Kong on Wednesday, 8 May 2013 at 11:00 a.m. is set out on pages 28 to 34 of this circular. Ordinary resolutions will be proposed at the AGM to approve, among other things, (i) General Mandate (including the extended General Mandate) and the Repurchase Mandate; (ii) the re-election of Directors; and (iii) the adoption of the New Share Option Scheme and termination of the Existing Share Option Scheme.

A form of proxy for use at the AGM is enclosed with this circular. Whether or not you are able to attend the AGM, you are requested to complete the accompanying form of proxy in accordance with the instructions printed thereon and deposit the same at the Hong Kong branch share registrar of the Company, Tricor Tengis Limited at 26th Floor, Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong as soon as possible and in any event not less than 48 hours before the time appointed for the holding of the AGM or any adjournment thereof. Completion and return of the form of proxy will not preclude you from attending and voting in person at the AGM or any adjournment thereof should you so wish.

All the resolutions proposed to be approved at the AGM will be taken by poll and an announcement will be made by the Company after the AGM on the results of the AGM.

### **RESPONSIBILITY STATEMENT**

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in This circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

### **RECOMMENDATION**

The Directors consider (i) General Mandate (including the extended General Mandate) and the Repurchase Mandate; (ii) the re-election of Directors; and (iii) the adoption of the New Share Option Scheme and termination of the Existing Share Option Scheme are in the interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of the relevant resolutions to be proposed at the AGM.

<b>LETTER FROM THE BOARD</b>
------------------------------

**GENERAL**

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on the resolutions to be proposed at the AGM.

**MISCELLANEOUS**

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully  
By Order of the Board  
**Aurum Pacific (China) Group Limited**  
**Lau Man Tak**  
*Chairman*

*This Appendix I serves as an explanatory statement given to all Shareholders relating to a resolution to be proposed at the AGM authorising the proposed Repurchase Mandate.*

*This explanatory statement contains all information pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules which is set out as follows:*

## **1. NUMBER OF SHARES WHICH MAY BE REPURCHASED**

Exercise in full of the Repurchase Mandate, on the basis of 500,000,000 Shares in issue as at the Latest Practicable Date, would result in 50,000,000 Shares (representing approximately 10% of the issued share capital of the Company as at the date of passing of the resolution), being repurchased by the Company during the period prior to the next annual general meeting of the Company following the passing of the resolution approving the Repurchase Mandate.

## **2. REASONS FOR PROPOSED REPURCHASE OF SHARES**

The Directors believe that it is in the interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares on GEM. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets of the Company and/or its earnings per Share.

The Repurchase Mandate will only be exercised when the Directors believe that such purchases will benefit the Company and the Shareholders as a whole. The Directors have no present intention to repurchase any Shares.

## **3. SOURCE OF FUNDS**

In repurchasing Shares, the Company will only apply funds legally available for such purpose in accordance with its Articles of Association, the laws of the Cayman Islands and the GEM Listing Rules. The laws of the Cayman Islands provide that the amount of capital paid in connection with a repurchase of Shares may only be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the laws of the Cayman Islands. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Shares are repurchased in the manner provided for in the laws of the Cayman Islands. The Company will not purchase the Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

## **4. EFFECT OF EXERCISING THE REPURCHASE MANDATE**

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2012) in the event that the Repurchase Mandate is exercised in full at any time during the Relevant Period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent

as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

## **5. DISCLOSURE OF INTERESTS**

None of the Directors nor, to the best of their knowledge having made all reasonable enquires, any of their respective associates (as defined in the GEM Listing Rules), has any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate if such is approved by the Shareholders at the AGM.

## **6. DIRECTORS' UNDERTAKING**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Articles of Association, the GEM Listing Rules and the applicable laws of the Cayman Islands.

## **7. THE HONG KONG CODE ON TAKEOVERS AND MERGERS**

If, as a result of a repurchase of Shares, pursuant to the Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code.

As a result, a Shareholder, or a group of Shareholders acting in concert (within that term's meaning under the Takeovers Code), depending on the level of increase in the Shareholders' interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 or 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge of the Company, the following Shareholder(s) is/are interested in more than 10% of the Shares then in issue. In the event that the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Repurchase Mandate, the total interests of such Shareholder(s) in the Shares would be increased to approximately the percentage set out in the last column as follows:

<b>Name of Shareholder(s)</b>	<b>Number of Shares</b>	<b>Approximate percentage of shareholding</b>	<b>Approximate percentage of shareholding if the Repurchase Mandate is exercised in full</b>
Mr. Lau Man Tak ( <i>Note</i> )	357,483,700 (L)	71.50%	79.44%

(L) denotes long position

*Note:* The interest in the shares of Mr. Lau Man Tak is held through Prime Precision Holdings Limited, a company incorporated in the British Virgin Islands, in which the entire issued share capital is beneficially and ultimately owned by Mr. Lau Man Tak. By virtue of the SFO, Mr. Lau Man Tak is deemed to be interested in the shares held by Prime Precision Holdings Limited.

On the basis of the current shareholding of the above Shareholders, an exercise of the Repurchase Mandate in full will not result in him/it becoming obliged to make a mandatory offer under Rule 26 or 32 of the Takeovers Code.

As at the Latest Practicable Date, the Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in a requirement of any of the above Shareholder(s) or any other persons to make a general offer under the Takeovers Code or the number of Shares in the hands of the public falling below the prescribed minimum percentage of 25%.

The Directors are not aware of any consequences which could arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate in full.

#### **8. NO PURCHASES OF SHARES BY THE COMPANY**

The Company has not purchased any of its Shares (whether on the Stock Exchange or otherwise) in the previous six months preceding the Latest Practicable Date.

#### **9. CONNECTED PERSON**

No connected persons (as defined in the GEM Listing Rules) has notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, or have undertaken not to do so in the event that the Repurchase Mandate is approved by the Shareholders at the AGM.

## 10. SHARE PRICES

## **NEW SHARE OPTION SCHEME**

### **Summary of terms**

The following is a summary of the principal terms of the New Share Option Scheme proposed to be approved by a resolution of the Shareholders at the AGM, notice of which is set out on pages 28 to 34 of this circular:

#### *(a) Purpose of the New Share Option Scheme*

The purpose of the New Share Option Scheme is to enable the Company to grant Options to the Participants in order to recognise and motivate the contribution of the Participants to the Group.

#### *(b) Administration of the New Share Option Scheme*

The New Share Option Scheme shall be subject to the administration by the Directors whose decision shall be final and binding on all parties who may be affected thereby.

#### *(c) Grant and acceptance of Options*

Subject to the terms of the New Share Option Scheme, the Board may, in its absolute discretion, invite any Participant to take up Options to subscribe for Shares at a price calculated in accordance with paragraph (d) below.

An offer of the grant of an Option shall be made to Participants in writing (and unless so made shall be invalid) in such form as the Board may from time to time determine and shall remain open for acceptance by the Participant concerned for a period of 28 days from the date upon which it is made provided that no such offer shall be open for acceptance after the earlier of the 10th anniversary of the Adoption Date or the termination of the New Share Option Scheme.

A non-refundable nominal consideration of HK\$1.00 is payable by the grantee upon acceptance of an Option. An Option shall be deemed to have been accepted when the duplicate letter comprising acceptance of the Option duly signed by the Participant together with the said consideration of HK\$1.00 is received by the Company.

Any offer of the grant of an Option may be accepted in respect of less than the number of Shares in respect of which it is offered provided that it is accepted in such number of Shares as represents a board lot for the time being for the purpose of trading on GEM or an integral multiple thereof.

*(d) Exercise of Options and price of Shares*

An Option may be exercised in whole or in part by the grantee giving notice in writing to the Company stating that the Option is thereby exercised and the number of Shares in respect of which it is exercised. Each such notice must be accompanied by a remittance for the full amount of the subscription price for the Shares in respect of which the notice is given. Within 21 days after receipt of the notice and the remittance and, where appropriate, receipt of the certificate of the Company's auditors or independent financial advisers, the Company shall allot and issue the relevant Shares to the grantee (or his legal personal representative(s)) credited as fully paid.

Shares to be allotted and issued upon the exercise of an Option will be subject to all the provisions of the Articles of Association of the Company for the time being in force and will rank *pari passu* in all respects with the existing fully paid Shares in issue on the date on which the Option is duly exercised or, if that date falls on a day when the register of members of the Company is closed, the first day of the re-opening of the register of members (the “**Exercise Date**”) and accordingly will entitle the holders thereof to participate in all dividends or other distributions paid or made on or after the Exercise Date other than any dividends or other distributions previously declared or recommended or resolved to be paid or made if the record date therefor shall be before the Exercise Date. A Share allotted upon the exercise of an Option shall not carry voting rights until the name of the grantee has been duly entered onto the register of members of the Company as the holder thereof.

The exercise price for Shares under the New Share Option Scheme may be determined by the Board at its absolute discretion but in any event will not be less than the highest of: (i) the closing price of the Shares as stated in the daily quotations sheets of the Stock Exchange on the date of grant, which must be a Business Day; and (ii) the average closing price of the Shares as stated in the daily quotations sheets of the Stock Exchange for the five Business Days immediately preceding the date of grant.

*(e) Maximum number of Shares available for issue*

- (i) Subject to the GEM Listing Rules, the overall limit on the number of Shares which may be issued upon exercise of all outstanding Options granted and yet to be exercised under the New Share Option Scheme and any other scheme of the Company must not, in aggregate, exceed 30% of the Shares in issue from time to time (the “**Overall Limit**”). No Options shall be granted under any share option schemes of the Company (including the New Share Option Scheme) if this will result in the Overall Limit being exceeded.
- (ii) Subject to the Overall Limit, the total number of Shares which may be issued upon exercise of all Options to be granted under the New Share Option Scheme and any other share option schemes of the Company adopted by the Group must not, in aggregate, exceed 10% of the Shares in issue as at the date of the approval of the New Share Option Scheme (the “**Scheme Mandate Limit**”), unless Shareholders' approval has been obtained pursuant to sub-paragraphs (iii)

and (iv) below. Options lapsed in accordance with the terms of the New Share Option Scheme will not be counted for the purpose of calculating the Scheme Mandate Limit.

- (iii) Subject to the Overall Limit, the Company may refresh the Scheme Mandate Limit at any time subject to approval of the Shareholders in general meeting, provided that the Scheme Mandate Limit as refreshed must not exceed 10% of the Shares in issue as at the date of the aforesaid Shareholders' approval (the "**Refreshed Limit**"). Options previously granted under the New Share Option Scheme and any other share option schemes of the Company (including those outstanding, cancelled, lapsed in accordance with such schemes or exercised Options) will not be counted for the purpose of calculating the Refreshed Limit. The Company must send a circular to the Shareholders containing such information as required under the GEM Listing Rules.
- (iv) The total number of Shares which may be issued upon exercise of all outstanding Options granted and yet to be exercised under the New Share Option Scheme and any other scheme of the Company must not exceed 30 % of the total issued Shares from time to time. Subject to the Overall Limit, the Company may also seek separate approval of the Shareholders in general meeting for granting Options beyond the Scheme Mandate Limit provided that the Options in excess of the Scheme Mandate Limit are granted only to Participants specifically identified by the Company before such approval is sought. The Company must send a circular to the Shareholders containing a generic description of the specified Participants, the number and terms of Options to be granted, the purpose of granting Options to the specified Participants with an explanation as to how the terms of the Options serve such purpose and such other information as required under the GEM Listing Rules.

*(f) Grant of Options to connected persons or any of their associates*

Any grant of Options to a connected person or its associates must be approved by the independent non-executive Directors (excluding any independent non-executive Director who is the grantee of the Options). Where Options are proposed to be granted to a connected person who is also a substantial shareholder of the Company or an independent non-executive Director or their respective associates and if such grant would result in the total number of Shares issued and to be issued upon exercise of the Options granted and to be granted (including Options exercised, cancelled and outstanding) in any 12-month period up to and including the date of grant to such person representing in aggregate over 0.1 % of the total issued Shares and having an aggregate value, based on the closing price of the securities at the date of each grant, in excess of HK\$5 million, then the proposed grant must be subject to the approval of Shareholders taken on a poll in a general meeting. All connected persons of the Company must abstain from voting at such general meeting (except where any connected person intends to vote against the proposed grant provided that his intention to do so has been stated in the Shareholders' circular to be issued as stated below).

A circular must be prepared by the Company explaining the proposed grant, disclosing (i) the number and terms of the Options to be granted; (ii) containing a recommendation from the independent non-executive Directors (excluding any independent non-executive Director who is a grantee) on whether or not to vote in favour of the proposed grant; and (iii) containing information relating to any Directors who are trustees of the scheme or have a direct or indirect interest in the trustees.

Any change in the terms of Options granted to a connected person or its associates must be approved by Shareholders in a general meeting.

*(g) Maximum entitlement of each Participant*

The total number of Shares issued and to be issued upon exercise of the Options granted to each Participant or grantee (including exercised and outstanding options) in any 12-month period up to the date of grant shall not exceed 1% of the Shares in issue at the date of grant (the “**Individual Limit**”). Where it is proposed that any offer is to be made to a Participant (or where appropriate, an existing grantee) which would result in the Shares issued and to be issued upon exercise of all Options granted and to be granted to such person (including exercised, cancelled and outstanding Options) in the 12-month period up to and including the relevant date of grant to exceed his, her or its Individual Limit, such offer and any acceptance thereof must be conditional upon Shareholders’ approval in general meeting with such Participant (or where appropriate, an existing grantee) and his, her or its associates abstaining from voting. The Company must send a circular to the Shareholders disclosing the identity of the Participant or grantee, the number and terms of Options to be granted (and Options previously granted) to such Participant, the information required under the GEM Listing Rules. The number and terms (including the subscription price) of Options to be granted to such Participant must be fixed before the date on which Shareholders’ approval is sought and the date of the Board meeting for proposing such further grant should be taken as the date of grant for the purpose of calculating the subscription price.

*(h) Time of exercise of Options*

Subject to the terms of the New Share Option Scheme, an Option may be exercised in whole or in part at any time during the period to be determined and identified by the Board to each grantee at the time of making an offer for the grant of an Option, but in any event no later than 10 years from the date of grant but subject to the early termination of the New Share Option Scheme (the “**Option Period**”).

There is no specified minimum period under the New Share Option Scheme for which an Option must be held or the performance target which must be achieved before an Option can be exercised under the terms of the New Share Option Scheme unless otherwise specified by the Board at the time of grant. The Board may set appropriate performance target and/or minimum period for the exercise of the Options at the time of the grant of Options under the New Share Option Scheme as and when appropriate.

*(i) Restrictions on the time of grant of Options*

Grant of Options may not be made after inside information has come to the knowledge of the Company until such inside information has been announced in accordance with the relevant requirements of the GEM Listing Rules. In particular, no Option may be granted during the period commencing one month immediately preceding the earlier of (i) the date of the Board meeting for the approval of the Company's quarterly, interim or annual results and (ii) the deadline for the Company to publish its quarterly, interim or annual results announcement and ending on the date of such results announcement.

*(m) Rights on cessation of employment for other reasons*

If the grantee of an Option who is an employee of the Group and ceases to be a Participant for any other reason before exercising the Option in full, the Option (to the extent not already exercised) shall lapse on the date of cessation or termination and shall not be exercisable, which date shall be the last actual working with the Company or its subsidiary, whether salary is paid in lieu of notice or not.

*(n) Rights on a general offer*

In the event of a general offer being made to all Shareholders (or all such holders other than the offeror and/or person controlled by the offeror and/or any person acting in concert (as defined in the Hong Kong Codes on Takeovers and Mergers) with the offeror) and such offer becomes or is declared unconditional during the Option Period of the relevant Option, the grantee (or his personal representative(s)) shall be entitled to exercise the Option in full (to the extent not already exercised) at any time within thereafter and up to the close of such offer.

*(o) Rights on winding up*

In the event a notice is given by the Company to its members to convene a general meeting for the purpose of considering and, if thought fit, approving a resolution to voluntarily wind-up the Company, the Company shall on the same date as it despatches such notice to each member of the Company give notice thereof to all grantees and any grantee (or his or her personal representative(s)) may by notice in writing to the Company accompanied by a remittance for the full amount of the aggregate subscription price in respect of the relevant Option (such notice to be received by the Company no later than five Business Days prior to the proposed general meeting)) exercise the Option (to the extent not already exercised) either to its full extent or to the extent that he or she may specify in his or her notice and the Company shall as soon as possible and in any event no later than the Business Day immediately prior to the date of the proposed general meeting referred to above, allot and issue such number of Shares to the grantee credited as fully paid.

*(p) Rights on reconstruction, compromise or arrangement*

If a compromise or arrangement between the Company and its members or creditors is proposed for the purpose of or in connection with a scheme for the reconstruction or amalgamation of the Company, the Company shall give notice to the grantee on the same date as it despatches the notice to each member or creditor of the Company to consider such a compromise or arrangement, and thereupon the grantee (or his or her personal representative(s)) may by notice in writing to the Company accompanied by a remittance for the full amount of the subscription price in respect of which the notice is given (such notice to be received by the Company no later than five Business Days prior to the proposed general meeting) exercise the Option (to the extent not already exercised) either to its full extent or to the extent specified in the notice and the Company shall as soon as possible and in any event no later than the Business Day immediately prior to the date of the proposed general meeting allot and issue such number of Shares to the grantee credited as fully paid.

*(q) Cancellation of Options*

The Board may at any time cancel any Option granted but not exercised if the grantee so agrees. Any cancellation of Options granted but not exercised and the issuance of new Options to the same grantee may only be made under the New Share Option

Scheme with available unissued Options (excluding the cancelled Options) within the Scheme Mandate Limit referred to in paragraph (e)(ii) above. Options lapsed in accordance with the terms of the New Share Option Scheme will not be counted for the purpose of calculating the Scheme Mandate Limit.

*(r) Effect of alterations to share capital*

In the event of any alteration in the capital structure of the Company by way of capitalisation of profits or reserves, rights issue, consolidation, subdivision or reduction of the share capital of the Company (other than an issue of Shares as consideration in respect of a transaction while any Option remains exercisable), such corresponding alterations (if any) will be made in (i) the numbers or nominal amount of Shares subject to any Option so far as such Option remains unexercised and/or (ii) the subscription price of any Option and/or (iii) the maximum number of Shares available for subscription and/or; (iv) the method of exercise of the Option as the auditors or independent financial advisers for the time being of the Company shall at the request of the Company or any grantee certify in writing to be in their opinion fair and reasonable, provided that (i) any such alterations shall be made on the basis that the aggregate subscription price payable by the grantee on the full exercise of any Option shall remain as nearly as possible the same as (but not greater than) it was before such event; (ii) no such alterations shall be made the effect of which would be to enable a Share to be issued at less than its nominal value; (iii) no such adjustment shall be made the effect of which would be to increase the proportion of the issued share capital of the Company for which any grantee would have been entitled to subscribe had he exercised all the Options held by him immediately prior to such adjustment; and (iv) the issue of securities of the Company as consideration in a transaction shall not be regarded as a circumstance requiring any such adjustment. Save in the case of a capitalisation issue, the auditors or independent financial advisers for the time being of the Company must confirm to the Directors in writing that such adjustment(s) satisfy the aforesaid requirements.
