PROFIT WARNING

This announcement is made by Aurum Pacific (China) Group Limited (the “**Company**”, together with its subsidiaries, collectively the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the Growth Enterprise Market (the “**GEM**”) of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board of directors of the Company (“**Board**”) wishes to inform the shareholders of the Company (“**Shareholders**”) and potential investors that, based on the information currently available to the Board and the preliminary review on the unaudited consolidated management accounts of the Group for the year ended 31 December 2014, despite of the expected increase in turnover and gross profit from continuing operation, the Group is expected to record loss attributable to owners of the Company (the “**Loss**”) in the range of approximately HK\$2 million to HK\$3 million for the year ended 31 December 2014 as compared to profit attributable to owners of the Company of approximately HK\$4.9 million for the year ended 31 December 2013.

The Board believes that the aforesaid Loss was mainly attributable to (i) the fair value loss of consideration payable for business combination recorded for the year ended 31 December 2014 as compared to the fair value gain for the year ended 31 December 2013; and (ii) the increase in administrative expenses (including staff costs) for the year ended 31 December 2014 as compared to that for the year ended 31 December 2013.

The Company is still in the process of finalising the final results of the Group for the year ended 31 December 2014. The information contained in this announcement is only based on the Board's preliminary assessment of the unaudited consolidated management accounts of the Group and the information currently available which have not been audited by the auditor of the Company. Shareholders and potential investors of the Company are advised to read carefully the announcement on the audited consolidated annual results of the Group for the year ended 31 December 2014, which is expected to be published on 19 March 2015.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
